The higher education in Drobeta-Turnu Severin first began in the academic year 1991-1992 as a University College by the Order of the Education Minister no.5601/8.05.1991.

In 2000 took birth the Faculty of Engineering and Management of the Technological Systems from Drobeta-Turnu Severin by the Government Order no.696/2000, having 2 long term specialisations:

- Engineering and Management of the Production Systems;
- Harbor Equipments and Installations

Also, there were taken 3 short term specialisations from the structure of the University College:

- Materials and Defectoscopy;
- Navigation, Inland and Maritime Transport;
- Naval electromechanics.
